

Hi Chitra,

I am very pleased to tell you that I am nominating your story "A Spoonful of Cloud" for the prestigious Pushcart Prize: <http://www.pushcartprize.com/>

The Pushcart literary prize has been honouring the best stories published in the small presses since 1976. This is the fifth year that Fiction on the Web has nominated stories for the Pushcart Prize, and after much deliberation, yours was chosen.

Thanks,
Charlie Fish
Editor, FICTION ON THE WEB
